Change in K-Mart's location

by GLORIA DAVIS

The latest reports from Antioch's Mayor Ray Toft, Developer Dennis Gershenson and Michael Warren, real estate agent, indicate that there will be no K-Mart based shopping center built on the east side of Rte. 83, just north of North Ave., by next spring, as scheduled.

Two months ago, Gershenson reported that, although plans for the start of the center were being held up by the negotiations with the supermarket, he expected to break ground on Rte. 83 within 60 to 90 days.

Now word comes via Warren that the developer has advised him that he was

unable to get written commitments from the two anchors needed to make the project go.

According to Toft, K-Mart wants to come into Antioch and doesn't care whether its location is on the north or south side of the village, but the major grocery chain slated to go into the project does not want to locate on the north end of the village.

Warren says their feeling is, that Gov. Thompson's announcement that the sales tax on food in Illinois will not be dropped to 3 1/2 percent as scheduled because of the present financial condition of the state, will deter many of the Wisconsin food consumers from coming across the state line to shop for groceries. Wisconsin has no sales tax on food.

Meanwhile, now that plans for the north-end shopping center have fallen through, Warren says that an intense search for a new location for the center is underway with news on that search expected within two weeks.

According to Warren the south end of the village, most probably somewhere on Rte. 173, are the areas being investigated.

Locations mentioned by the real estate agent as being "attractive" are the intersection of Rte. 83 and Rte. 173, with the northwest corner across from the high school seeming to draw the most interest since the amount of property available on the southeast corner is insufficient.

Warren said that although location at the intersection of Rtes. 173 and 59 is also attractive, again the amount of land required to build the shopping center is unavailable at that site.

Whatever site is finally decided upon, Toft said that he thinks that there may be a possibility that the legalities concerning the village's issuance of the industrial bonds will have to be gone over because of the change in location.

After the site is decided upon, the property will then have to be annexed to the village for

sewage and fire protection purposes, said Toft. This will also mean the village will still benefit from the sales taxes generated by the center.

There just might be some need for expediency in getting the building of the center under way if it is to be built at all, since there is now a bill before the House in Washington to prevent municipalities from issuing industrial bonds for projects under \$10 million after Jan. 1, 1982.

Reports have it that one of the things prom-

pting this bill was the retail abuse of industrial bonds, K-Mart being named as one of the biggest abusers.

Supporters of the bill claim that industrial bonds were meant for the use of small industry, not for the use of big business to build new stores with cheaper money.

This was one of the arguments used by some businessmen and the Antioch Chamber of Commerce and Industry in their objection to the village board's initial issuance of industrial bonds for the project.

Senior Shots

The Lake County Health Dept. will give flu immunization shots at the Antioch Senior Center, from 10-11 a.m., on Wednesday, Nov. 4.

Because of funding cutbacks the health department is no longer able to sponsor the shots, so the Township of Antioch will be picking up the cost of the immunizations.

To receive the shots through this program, a person has to be 65 years or older.

Game Ordinance

The Antioch village board is expected to discuss the existing ordinance pertaining to the running of an electronic games establishment inside of the village limits, at meeting to be held on Monday, Nov. 2, at the village hall.

New Factory

The Koziol family has broken ground for the first of six small factories to be built on their industrial acreage, in the Sequoit Industrial Park, off of Rte. 173.

The first factory will be occupied by Modern Home Products, a business that is slated to manufacture parts for gas barbecues.

School elections

School board elections for Antioch High School, as well as all the grade schools and the College of Lake County, will take place from 6 a.m. to 7 p.m., on Tuesday, Nov. 3, at regular polling places.

There will also be a referendum on the ballot to make the term of Antioch High School board members a six year one.

Now approve A to Z rezoning

On Oct. 26, in a 4-1 vote of approval, the Lake County Zoning Committee recommended to the Lake County Board the change of the zoning of 3.7 acres on Rte. 173, Antioch, from residential to commercial.

The zoning change had been requested by Frank Curless, owner of the property, in order to enable him to build an A-To Z Rental Store on that property.

Area residents have opposed the zoning change and the Lake County Zoning Board of Appeals had just refused to recommend the change.

The final decision is now up to the county.

Bolt announces run for board

by ROGER RUTHART

Evelyn Bolt of Lake Villa has become the first announced candidate for County Board District 4.

Mrs. Bolt who has been active in Lake Villa and Antioch Schools and who served on the county zoning board of appeals for five years, has also been active county-wide in such activities as the Cancer Crusade, Mothers' March on Birth Defects and the Heart Assn.

Mrs. Bolt said she will provide a "strong, independent voice" on the county board for residents of District 4 which includes Antioch.

"I will take a stand and vote on all matters before the County Board," The present members of the district have "too often passed, abstained or voted present. When this happens, the people are not being represented," said Bolt.

She said she will help the people in district 4. "Maintain their environment of farms, recreational lakes, small villages and country homes," said Bolt. "These people live in this area of Lake County because they prefer this way of life. They are entitled to

representatives who are committed to suitable development rather than destructive sprawl."

To support this platform of her campaign, Bolt pointed toward her activities on behalf of the Petite Lake Highlands Subdivision and her background of five years on the zoning board of appeals.

For her subdivision, Bolt has spearheaded a successful petition to change the zoning in the subdivision from multi-family to single family residential to preserve its long established character. She said she also represented the subdivision in presenting the petition and evidence before the zoning board.

She also spearheaded a drive to move school boundaries so that all of the children in the subdivision would attend the same school. "This change created a better situation for the children and was financially better for the school districts," she said.

Bolt is presently a homemaker, regular substitute teacher at Antioch High School, music director at Lake Villa Methodist Church and associate director of the Sacred Choir of the Lakes.

System to help protect farmland

Chairman Homer White of Antioch announced that the Lake County Soil and Water Conservation District has adopted a Farmland Protection Policy, and approved the implementation of a land-use evaluation system for the rating of agricultural lands. The adoption of this policy is the result of a six-month effort by an ad hoc Committee appointed by the district board.

The committee's task was to draft a farmland protection policy and some method for evaluating land use potential, and submit them to the SWC board. The committee members were Tony Titus, farmer; Burnell Russell, president of farm bureau; Matt Farra, farmer and SWCD director; Gerry Estes, building commissioner, Green Oaks; Cal Doughty, village administrator, Long Grove; Bob Schmerbach, extension advisor, Cooperative Extension Service; Richard Raftis, executive secretary, Farm Bureau; Don Smith; and Dorothy Fetting, Realtor. The committee was chaired by Homer White.

The policy statement is as follows: "Those areas of the county in which the economic viability of intensive agriculture has been eliminated should be the primary focus for orderly growth. Areas which have a strong agricultural base should be retained for intensive agricultural use. Furthermore, it will be our policy to work towards a farmland

retention program to assure future farming on lands best suited for agricultural production in Lake County."

The land use evaluation system indicates land that is best suited for agricultural or urban uses. The rating system is based on the following parameters: parcel size, soils, current land uses, surrounding land uses, and availability/accessibility of services. This procedure allows for an objective determination for each parcel of land.

According to Homer White, the district will use the Land Evaluation System as a tool in helping the District to promote agriculture.

"Many people don't realize agriculture is a 36 million dollar industry in the county. Of the 90,000 acres of farmland left, some areas are much more suited for agricultural use than others in terms of tract sizes, soils, surrounding land uses and the like. These are the areas with a predominant agricultural base."

"This is where farming should be encouraged and retained as farmland for as long as possible."

White went on to add urban encroachment in these areas will only weaken the farmers' ability to continue farming and tempt landowners to put the land in other uses.

Anyone wishing to receive a copy of the district's Farmland Policy should call (312) 367-4065, 8 a.m. to 4:30 p.m.

A to Z rezoning

Continued from Page 1

board, but up to this point all the demands and recommendations are just a repeat of what happened last year on the same request with the board of appeals denying and the zoning board recommending. Last year this led to a denial from the county board.

This time Curtiss thinks he has a 50-50 chance of getting the county board's approval since he had more yes votes in committee than he had last year.

Curtiss says that the present location he is operating from is not big enough and too costly to rent.

He also thinks that a plus in his favor is the fact that many businesses are already located in that area.

If he gets another refusal from the county board on Nov. 10, Curtiss claims he will have to take a loss on the property "because nobody will buy it."

"It's all politics," he adds, blaming the controversy on the county fighting the village of Antioch.

He also says that if he is refused it will be because the county will not have looked at the additional evidence that he has produced in favor of the zoning change.

SIMONSEN AWARDED PLAQUE — Left, Antioch Fire Chief Todd Maplethorpe presents Edgar Simonsen with a clock plaque for his 50 years of fire service to the Antioch community at the Antioch Firefighter's Annual Old Timers Night, on Tuesday, Oct. 27. — Photo by Gary Quedenfeld

Firefighters fete 50 service years

At the Antioch Firefighters Annual "Old-Timers Night", Honorary Fire Chief Edgar Simonsen was honored for his 50 years of fire service to the Antioch community by his brother firemen.

Chief Simonsen received many gifts honoring him for his service. Among the gifts was a clock plaque presented by Fire Chief Charles Maplethorpe from the Antioch Firefighters Assn.; a plaque was presented by Mayor Raymond Toft on behalf of the Village of Antioch and Mayor Toft also presented a plaque with a picture of Edgar when he fought a barn fire in the district.

Fire Chief Stuart Hoehne from the Fox Lake Fire Dept. presented a plaque to Edgar from his Dept.; Lake Villa Fire Chief Elmer Sheehan presented Edgar a plaque from his department.

A candle in the shape of a fire chiefs' hat was presented to Edgar from Joe Huber. After the presentations Edgar thanked all present for the gifts and the well wishes and then he told those present how much the fire service here in Antioch had grown from the hand pumper to the modern fire trucks that Antioch now has.

ACHS board election scheduled for Nov. 3

Under the new consolidated election law school board elections are scheduled for the November election in odd years.

Two vacancies are to be filled on the high school board. The terms of Glen Moore and Tony Starcevic

expire. Running for the two seats are Moore, Starcevic and Julie Portalski.

Beginning with this election, board members are elected to four year terms. However, the law allows for six year term by voter referendum.

A separate referendum will be on the ballot which if passed, would change the term of the board members for the high school board from four years to six year terms, beginning with the 1983 election.

Under the consolidated election law, voting for school board members will be at the precinct voting locations used for all elections on Nov. 3.

The Time Machine

50 YEARS AGO: NOVEMBER 5, 1931

Running on an ultra-liberal platform, Einar Sorenson, well-known Channel Lake hotel keeper, yesterday announced that he would be a candidate for the Democratic congressional nomination in the 13th district.

Two Kenosha County schools, Paddock Lake School and Liberty Corners School, were completely destroyed by flames and a third, the Vlotz School, was damaged last Friday night. Authorities are at a loss to explain the cause of the fires. An investigation is being launched but there are very few clues.

"It's getting to be a fine place," declared Mrs. Ruby Richey yesterday when asked to comment on the field trip she conducted out to Scott's dairy. Struck by the efficiency and speed with which the milk is pasteurized and bottled, and milk products such as butter and cheese are manufactured and prepared for the market Mrs. Richey said she could see much progress in the process.

Attended by a large crowd St. Peter's Halloween costume ball was a financial as well as a social success. Clarence Shultis, dressed as an Indian chief and Mrs. Herman Rosing, has squaw, were awarded the prize for the best dressed couple; Otto Klass and William Anderson, dressed in night shirts received first for the comics; and Mr. and Mrs. John Horan, second for comics. Others awarded prizes include Alice Warner, Charles Cermak, Laverne Boyle, Sam Walance, Dorothy Brogan, Hilma Rosing, Homer LaPlant, Belle Harwood and Julia Stricker.

30 YEARS AGO: NOVEMBER 8, 1951

Death came to Cole Ferry, 17, at Victory Memorial Hospital where he was taken by the Antioch Rescue Squad after a fall from a moving truck. He and other boys were involved in a Halloween prank at the time.

Postmaster Roy Kufak today warned residents of the Antioch community that if they want their Christmas gifts and cards delivered on time this year they must mail early.

Ray Morton was released on a \$500 bond. Federal agents doubted his story that he was waylaid and abducted at Lake Villa for non-union activity and brought him to Kenosha on charges that he failed to support his wife and three children.

Jim McMillen, while presiding over the village board Tuesday received a message that his brother-in-law, Wesley Faulkner, had got his right hand caught in the cogs of a corn picking machine and it was mangled so badly that removal was necessary.

The end of the worst early November cold and snow in history in the Antioch area was believed in sight today as the mercury began its upward climb and four inches of snow began to disappear. The temperature had dropped to a record low of 12 above.

10 YEARS AGO: NOVEMBER 3, 1971

Julio Sanchez, Antioch High School's foreign exchange student from Costa Rica, enjoyed being surrounded by pretty students and waving to the onlookers during the Antioch High School Homecoming parade.

With the football season coming to a close, thoughts are turning to basketball. The first official game will be the famous Chicago Cubs playing the high school faculty. Names of the faculty haven't been released yet.

Another reason to be proud of Chief Chuck Miller and his boys in blue arose when a Chicago reporter, in investigating a local traffic death, commented that he had never seen such well-kept police files.

Don't forget to get the entire family tickets to PM&T's play opening on Nov. 14, "The Giants Dance."

This play sounds just like Christmas to me, loved by people of all ages.

Looks like the local Republicans and others are not taking the latest decennial redistricting kindly, shouting foul and claiming that this plan for political redistricting is fashioned so as to give one party more representation rather than giving all the people a fair representation.

I'm sure we'll be hearing a lot more on this subject.

Loved the costumes that the employees of the State Bank of Antioch wore last Saturday.

One of the bank's favorites, Florence Babusek, really fit the banking image with all that glitter as "The Goldminer's Daughter."

Dixie Sparks, Chamber secretary, called me just bubbling over with enthusiasm about her plans for the fashion show to raise money for the Chamber, planned for early December.

This sounds like its going to be quite a holiday production, complete with local entertainment and a few hilarious surprises.

Looks like two of our popular local restaurants have undergone recent changes. There are new owners at Lakeside along with a few delicious menu changes and I saw a new name go up on one of Antioch's favorite meeting places at the corner of Rtes. 173 and 83. It's now The Squire.

No matter what the feelings one had on the AWAC's situation, last week's senatorial vote showed us once again that for the first time in a long time we seem to have a President that has some control of the politicians beneath him, and knows how to get what he wants.

Or is it the people back home handling their politicians because they have a President whose seeing that the government is finally following the line of the people?

Carole reports: College funding available

by CAROLE RISK

As of Oct. 1 the Reagan Administration on guidelines for student loans and student aid took effect. Students who qualified for assistance with college costs under the old guidelines may find the new rules have excluded them.

Therefore other ways of financing a higher education should be looked into. There are many different types of scholarships awards and grants and not all are for the straight "A" student or for the needy.

There are scholarships established as memorials; scholarships that are given

by different private clubs and organizations; scholarships in medical fields such as nursing, radiology, medical record technology, laboratory technology.

There are scholarships for women; and for minority groups. There are funds offered to students for specific purchases such as textbooks, and many more.

In short a college bound student should take a look at some of the opportunities available to him or her, to help pay for the next step up the educational ladder.

The best source of information for Antioch

students is the counseling department at Antioch Community High (ACHS).

The counselors have catalogues that list different scholarships in various fields, and the ACHS library has additional source information for a student to examine.

A weekly bulletin is issued by Jane Abrahamson, chairman of the counseling department, with up to date information regarding available scholarship opportunities.

It is not too early for high school seniors to begin looking for ways to finance next fall's education.

TICKLISH SITUATION — King Ambrose, left, played by Tom Hausman is in a tight spot as General Nud, played by Frank DiMarco orders him off the throne in PM&L's play "The Giants Dance," opening Nov. 14.

'The Giants Dance' coming to PM&L

Otis Bigelow's off-beat and imaginative "The Giants Dance" will open Saturday night, Nov. 14, at the PM&L Theater, 877 Main Street in Antioch.

Later performances are scheduled for Friday and Saturday nights, Nov. 20, 21, 27 and 28.

There will also be a matinee Sunday afternoon, Nov. 22. The evening shows start at 8:30 p.m. and the Sunday matinee at 2:30 p.m.

While "The Giants Dance" should not be thought of as a children's play, it is a good show for the entire family. The Sunday matinee is often a good time for theatergoers of all ages to enjoy a show together.

Antioch audiences have been making increasing use of the afternoon presentation, a PM&L innovation which was begun last season.

"The Giants Dance" is an unusually colorful and action-packed play. The story is set in fifth-century England.

Costumes and set are strikingly different, and exciting sword play and breath-taking magic are sure to delight audiences.

In case that is not enough, the play also features subtle humor, stately kings and

queens, impressive pomp and pageantry, and romantic princes and princesses.

Such a formula can only spell success, and "The Giants Dance" is expected to be one of the most popular shows of the current theater season.

Lou Jones of Round Lake directs the PM&L production of the play. His talented and experienced cast includes, from Round Lake, Frank Greenwood as Arch Druid Grigas and Cris Jones as Ethelred; from Zion, Frank DiMarco as General Nud; from Wildwood, Steve Beno as Eleric; and, from Salem, Paul Mateer as Rufus.

The members of the cast who are from Antioch are Dave Carlson as Geoffrey, Aileen Biel, Queen Boudicca, Dawn Champey, Princess Alissande, Larry Bersie, Yvain, Bruce Stamm as Merlin the magician and Tom Hausman as Ambrose the king.

No one will want to miss "The Giants Dance," especially if the play turns out to be as delightfully exciting as early indications suggest. So call (312) 395-3055 now, to make reservations to see this unusual spectacle. Plan to be at the PM&L box office by 8:15 p.m. on the night, or 2:15 p.m. on the afternoon, of the show attended.

ACHS Drama Dept. to present 'J.B.'

The cast for this year's first major production at Antioch Community High School has been chosen. The drama division of the fine arts department will present the Pulitzer Prize-winning play, "J.B." by Archibald MacLeish.

Performances will be at 8 p.m. on Thursday, Friday and Saturday, Nov. 19, 20 and 21.

This modern interpretation of the Biblical Book of Job will feature Roger Knowlton in the title role, James Fabry as Mr.

Zuss, Ed Wells as Mr. Nickles and Susan Butler as Sarah, J.B.'s wife.

They will be supported by a large cast including: H. Alex Apostol, Joe Apostol, Betsy Barnes, Andrew R. Biel, Charles Bischoff, Janine Cassey, Lisa DeBenedetto, Elizabeth Drnee, Chuck Duha, Kim Fredericks, Dawn Hansen, Erik Hansen, Michelle Hirsch, Mary Kenyon, Mark Miller, Rosie Rampale, Dan Ropa, June Schugart and Nancy Slazes.

A new system of reserved

seats will be tried this year with the drama productions. Reserved seats will be sold on a first come, first served basis in the ACHS Commons (Rtes. 83 and 173) weekdays from 10:50 a.m. to 1:15 p.m. starting Nov. 6.

Tickets may also be arranged for through members of the cast. Remaining tickets will be sold at the door.

Prices are \$2.50 for adults and \$1.50 for students. Senior citizen and other special passes issued by the school will be honored.

NOTICE OF PUBLIC HEARING

Grass Lake School District No. 36 Board of Education shall hold a public hearing on Tuesday, November 10, 1981 in Room 4 of the Grass Lake School beginning at 7:30 P.M. This public hearing is being held pursuant to the "Truth in Taxation Act" to explain the reasons for the proposed tax levy for 1981. The property taxes, exclusive of election costs, extended on behalf of the Grass Lake School District No. 36 for 1980 amounted to \$417,703.28. The amount of the proposed levy, exclusive of election costs, for 1981 is \$463,260.00, which represents an increase of 10.9%.

The Board of Education of the Grass Lake School District No. 36 will permit persons desiring to be heard an opportunity to present testimony within reasonable time limits as the Board shall determine.

Adopted by the Board of Education on Tuesday, October 13, 1981.

Mrs. Mary Beth Walsh,
Secretary Grass Lake Board of Education

When I think about it

Is it true what they say about women?

by GLORIA DAVIS

With the ERA Amendment and its supporters involved in a last ditch fight for ratification this year, I thought it might be interesting to review what some famous people have had to say over the years, pro and con, about equal rights for the fairer sex.

One of the proponents of women staying in their "proper place", using the incentive of romance, was Franklin P. Jones who said, "Men seldom make passes at a girl who surpasses."

Some famous religious teachings, as well as a few religious leaders, obviously wouldn't be found in Gloria Steinem's

cheering section if one is to go by indications like the quote from Genesis, 3:16, "To the Woman He said, 'I will greatly multiply your pain in child bearing; in pain you shall bring forth children, yet your desire shall be for your husband and he shall rule over you.'"

When the world was still very young, Mohammed said, "Verily the best of women are those that are content with very little."

A thousand years went by, with very little changing as far as the position of the female sex was concerned as seen in the preachings of Martin Luther who said, "Women shall remain at home, sit still, keep house and bear and bring-up children."

Then along came Lawrence J. Peter who was all for giving women the right to prove that they were just as dumb as men as he ridiculed the power of men by saying, "Most hierarchies were established by men who now monopolize the upper levels, thus depriving women of their rightful share of opportunities to achieve incompetence."

Or is he ridiculing women, you decide. Even Renior, who was made famous through his pictures of nude women, said, "I consider that women who are authors, lawyers and politicians are monsters."

Never thought of it before, but it looks like he was just a male chauvinist forerunner of the boys at Playboy.

Yet way back in ancient times, such learned men as Socrates saw the worth of the opposite sex but also warned their fellows of the capabilities when he said, "Once made equal to man, woman becomes his superior."

Then came the era when women themselves rallied together and some, like Susan B. Anthony, waved banners that said, "The only question left to be settled now is, Are women persons?"

Fannie Hurst complained, "A woman has to be twice as good as a man to go half as

far," and Golda Meir was quoted as saying that she was not sure whether women were better than men, but she was sure that they were no worse.

Clare Booth Luce decried the old "barefoot and pregnant" adage when she wrote, "If God wanted us to think with our womb, He wouldn't have given us brains."

When Frank O'Connor said, "No man is as anti-feminist as a totally feminine woman," he must have been thinking about gals like Marilyn Monroe who said, "I don't mind living in a man's world as long as I can be a woman in it."

Or maybe he was thinking of Brigitte Bardot who said, "Women grow more unhappy the more liberated they are."

Most women that I know fall in none of these categories. They still want a man, that they love, to take care of them and are willing to return the favor, as long as it's a case of sharing and of each recognizing the other's individuality.

All of which just goes to show that Sigmund Freud might have been on the right track when he said, "Despite my 30 years of searching the female mind, I have not yet been able to answer the question, What does woman really want?"

\$1,000 CHRISTMAS TREE — Alvera Morgan, ways and means chairman for Antioch Women's Club, decorates tree filled with handmade victorian ornaments to be displayed at Jack's Four Squires from Nov. 4 on. For information, contact one of club's members. — Photo by Gloria Davis

Unique ornaments on \$1,000 tree

For anyone who is interested in having one of the most unique and prettiest Christmas trees in the area this year, the Antioch Women's Club may have the answer for you.

Some lucky person will win a beautiful artificial tree, completely decorated with victorian ornaments, handmade by members of the club.

There are claret-velvet and lace old-fashioned boots; crocheted baskets of flowers; pearl-trimmed fans; angels on green velvet, framed in lace and many more.

The value of the entire tree is set at \$1,000. It can be viewed, beginning Nov. 4, at Jack's Four Squires, on Lake St.

More information can be gotten from any member of the club.

Scholarships available

Students attending Illinois colleges and universities will be able to request state, federal, and campus-based financial aid for the 1982-83 academic year by filing only one form.

The Illinois State Scholarship Commission has discontinued its own application for next year, and will accept information from the American College Testing Programs Family Financial Statement (ACT/FFS), the College Scholarship Programs Financial Aid Form (CSS/FAF), or the Pell Grant Program (formerly called the Basic Educational Opportunity Grant).

The FFS, FAF, and Pell Grant applications should be available in late November and can be filed after Jan. 1, 1982.

For state program consideration, students are

asked to check "yes" to the "release-of-information" question on whichever form they are completing.

This permission enables the federal processing system to release information to state agencies.

Notification of a student's eligibility for both the Pell Grant and the Illinois State Scholarship Commission's Monetary Award Program

will be reported on the Pell Grant Student Eligibility Report (SER) sent directly to the student.

Additionally, students seeking information regarding application status or corrections will use the Pell Grant toll-free telephone number, 1-800/423-6932 for inquiries.

Announce postal schedule

Post Offices will operate on a holiday schedule during Veteran's Day, Wednesday, Nov. 11.

There will be no regular mail deliveries, and usual post office lobby services will not be available with the exception of lockbox service at selected offices.

Delivery of certain expedited mail services will continue during the holiday. Included are Special Delivery and Express Mail. Mailers should call the post office for information about rates and holiday schedules.

Mail pick-up from collection boxes also will be on holiday schedule, as posted on individual boxes, or determined by calling the post office.

Normal mail service will resume Thursday, Nov. 12.

Ask Dr. Sven
by Robert T. Sven B.S.D.D.S.

Question: Why do dentists sometimes use a temporary white filling instead of just putting in a silver filling the first time? Is this just to get me back for a second visit?

ANSWER: If a dentist puts a silver filling directly into a sensitive tooth, you might be back in the office in more pain than you had in the first place. The "white kind of filling" usually is a "medicated" filling to sedate a sensitive nerve, and strengthen it so it can tolerate the presence of a silver filling. Some of the medication should always remain as a protective base between the nerve and the silver. A two month wait is usually sufficient.

Weddings

MR. AND MRS. ROBERT KENNEDY

Eleanor J. Zeigler of Gurnee, daughter of Mr. and Mrs. Tony Sciacero of Lake Villa, was married to Robert L. Kennedy, son of Mr. and Mrs. George Olisar of Antioch, August 22 at St. Stephen Lutheran Church with the Rev. Charles Miller officiating.

Maid of Honor was Joanne Collins of Waukegan and bridesmaids were Christine Lynch of Carrollton, Texas, Eileen Grahovac of Long Grove, Gail Dubek of Antioch and Penny Young of Gurnee, niece of the bride. Carrie Dawn Collins, daughter of the maid of honor, was flower girl.

The groom's brother, Greg Kennedy of Lindenhurst was best man and groomsmen were Mike Guilfoyle, Elmwood Park; Mike Gutowski, Jeff January, Al Anderson all of Antioch. Ushers were Daryl Gussarson and Mike Harvey, both of Antioch and ring bearer was Nathan Zeigler, son of the bride.

A reception followed the wedding at the Fox Lake American Legion Hall.

Because of the large number of volunteer firemen from the Antioch Fire Dept. that would be at the Kennedy wedding, Lake Villa Fire Chief Ralph Nader volunteered the mutual aid services of his department to stand by at the Antioch station with a crew of firefighters from 4 p.m. to midnight.

To show their appreciation, before the newlyweds went to the reception, they, the wedding party and several Antioch firemen joined the Lake Villa firemen for a cocktail and chance to kiss the bride.

The bride is employed at American Hospital Supply, McGaw Park, and the groom is employed by Eric Bolander Construction Co., Libertyville. The couple is presently living in Gurnee and planning to relocate to Antioch. A spring honeymoon to Florida is planned.

MR. AND MRS. ROBERT WONDERLING

Amsley Brook, daughter of Mr. and Mrs. William Brook were married Saturday, Sept. 26, to Robert Wonderling of Arlington Heights, son of Mr. and Mrs. Robert Wonderling of Paddock Lake, Wis.

The ceremony was performed by the Rev. Steven Williams of Antioch, in the living room of the bride's parents' home on Lake Antioch with only relatives of the bride and groom and a few friends in attendance.

The matron of honor was Mrs. Michael Poe, the former Wendy Jensen of Antioch, and the bestman was Richard Seligman of Chicago.

Following the wedding, other friends and relatives participated in a celebration of the occasion in the Brook home.

The bride and groom are at home in Carnes Woods, Lake Villa.

Plan square dance

The Taws & Paws invite all square dancers to join them at their next dance Friday, Nov. 7 at the Kenosha Womans Club, located on Sheridan Road, one-half block south of 60th St. Dancing will be from 8 to 10:30 p.m.

Special guest caller for the evening will be Earl Thompson of Racine. Rounds will be by Jerry Packman and Betty Drafz of Kenosha. Dancing will be Mainstream

NAIM MEETS

The November NAIM meeting for all Lake County Widows and Widowers will be held at 2 p.m., Sunday, Nov. 8, at Hayes Community Room, Our Lady of Humility Church, Wadsworth Road, Zion. Father Merold will show films of Rome and Brussels. Plans will be made for a Christmas party.

Engagements

WISNIEWSKI-BURDELIK

Mr. and Mrs. Richard E. Wisniewski of Antioch, have announced the engagement of their daughter Marianne Jane Wisniewski of Antioch to Donald James Berdelik of Antioch, son of Mr. and Mrs. Joseph Burdelik.

A wedding date of May 22 has been set with the Rev. Charles Miller officiating.

The bride-to-be is a 1980 graduate of Antioch Community High School. She is employed as a file clerk with Intermatic Inc., Spring Grove.

The groom-to-be is a 1975 graduate of Antioch Community High School. He is employed as a research technician for Dearborn Chemical in Lake Zurich.

PLAN MEETING

The purpose of this notice is to inform residents of the next meeting of the Antioch Planning Area to discuss the Capital Improvements Program relating to the Comprehensive Plan update for Lake County. The meeting is scheduled for Thursday, Nov. 12, at 7:30 p.m. at the Antioch Village Hall, 873 Main St.

Bell announces new low cost phone rates offered

Illinois Bell is offering a new, low-cost monthly rate for Antioch area customers. The new "measured service" offering, approved by the Illinois Commerce Commission November 1978, is

now available to customers having telephone numbers beginning with "395".

It offers a very low basic rate for residence customers, and message unit charges are made for

each call," said Dick Miller, Antioch residence service center manager.

"Business customers will pay a lower basic rate than they are presently charged and will get a sell allowance

of message units," he said.

"Measured service will be available on request as a lower-priced alternative to the present local service," Miller added.

Monthly measured residence service in Antioch will cost \$2.65 a month compared with \$5.40 for present residence service allowing unlimited local calling. The measured service includes no allowance for message units.

Monthly measured business service will cost \$12.25 a month compared with \$14.35 for the present local business service, and an allowance of 75 message units.

Service rates do not include charges for the telephone. For example, the additional monthly charge for use of a standard Bell rotary dial phone is \$1.10. All rates quoted are those in effect July 1, 1981, and are subject to change.

"Under the measured service plan, a message unit will cost \$5.29," said Miller. For each call to another Antioch "395" phone, one message unit will be charged, regardless of how long one talks.

All calls outside the "395" local calling area will be timed. Two or more message units will be charged for calls to other places in the Chicago metropolitan area. The initial talking period for these calls will be three minutes. One or two message units will be added for one or two additional minutes.

As an example, Miller cited a measured service residential call from Antioch to Grayslake. "The basic charge for such a call would be three message units," he said.

"Your initial talking period would be three minutes. Then you'd be charged another unit for

each additional two minutes you talked," he added.

"You'll probably save money with the measured service plan if you make less than 52 calls from a residence phone or less than 114 calls from a business phone each month, and if these calls are made only to other "395" numbers," he said.

Miller added, "You'll also save money with measured service if you make only a few local calls and a few calls to nearby community each month."

Measured service will also be a good buy if a great many calls are incoming and only a few are outgoing.

The new service is described in detail in an insert being mailed with each Antioch customer's phone bill. A service representative can help decide if measured service will save money. There will be no charge to change present service, and changes can be made now.

Dance to benefit Toys For Tots drive

One of the first fund raisers of the year to benefit the U.S. Marine Corps Toys For Tots promotion, will be held Friday, Nov. 6 at Libertyville High School.

Once again this year, Lakeland Newspapers, along with the U.S. Marine Corps and other civilian organizations is helping to promote the holiday Toys For Tots campaign. As in the past, promotion of the Toys For Tots program is being done in conjunction with the annual Lakeland Newspapers Christmas Theme Contest.

Lake County teens have been invited to attend a Toys For Tots dance, from 8 to 10:30 p.m., Nov. 6 at Libertyville High School. The dance features the bands Caretaker and Target. Admission is one or more toys for the Toys For Tots campaign.

Entries in the Christmas Theme Contest will be accepted in three age groups. Class I will be children ages five to eight. They will draw a picture on 8½ by 11 inch white paper on the theme "Christmas At My House." Drawings may be done in crayon, marker or pen.

Class II will be for children ages nine to 13. They are asked to submit a theme, 500 words or less on "The Meaning of Christmas."

Class III is for ages 14 to adult and will be a theme, 500 words or less on "What Christmas Means To Me."

First, second and third prizes will be awarded in each category as well as one grand prize. Entries are eligible to win only one prize. Deadline for entry is Nov.

25, 1981 and entries may be dropped off or mailed to any of the Lakeland Newspapers offices.

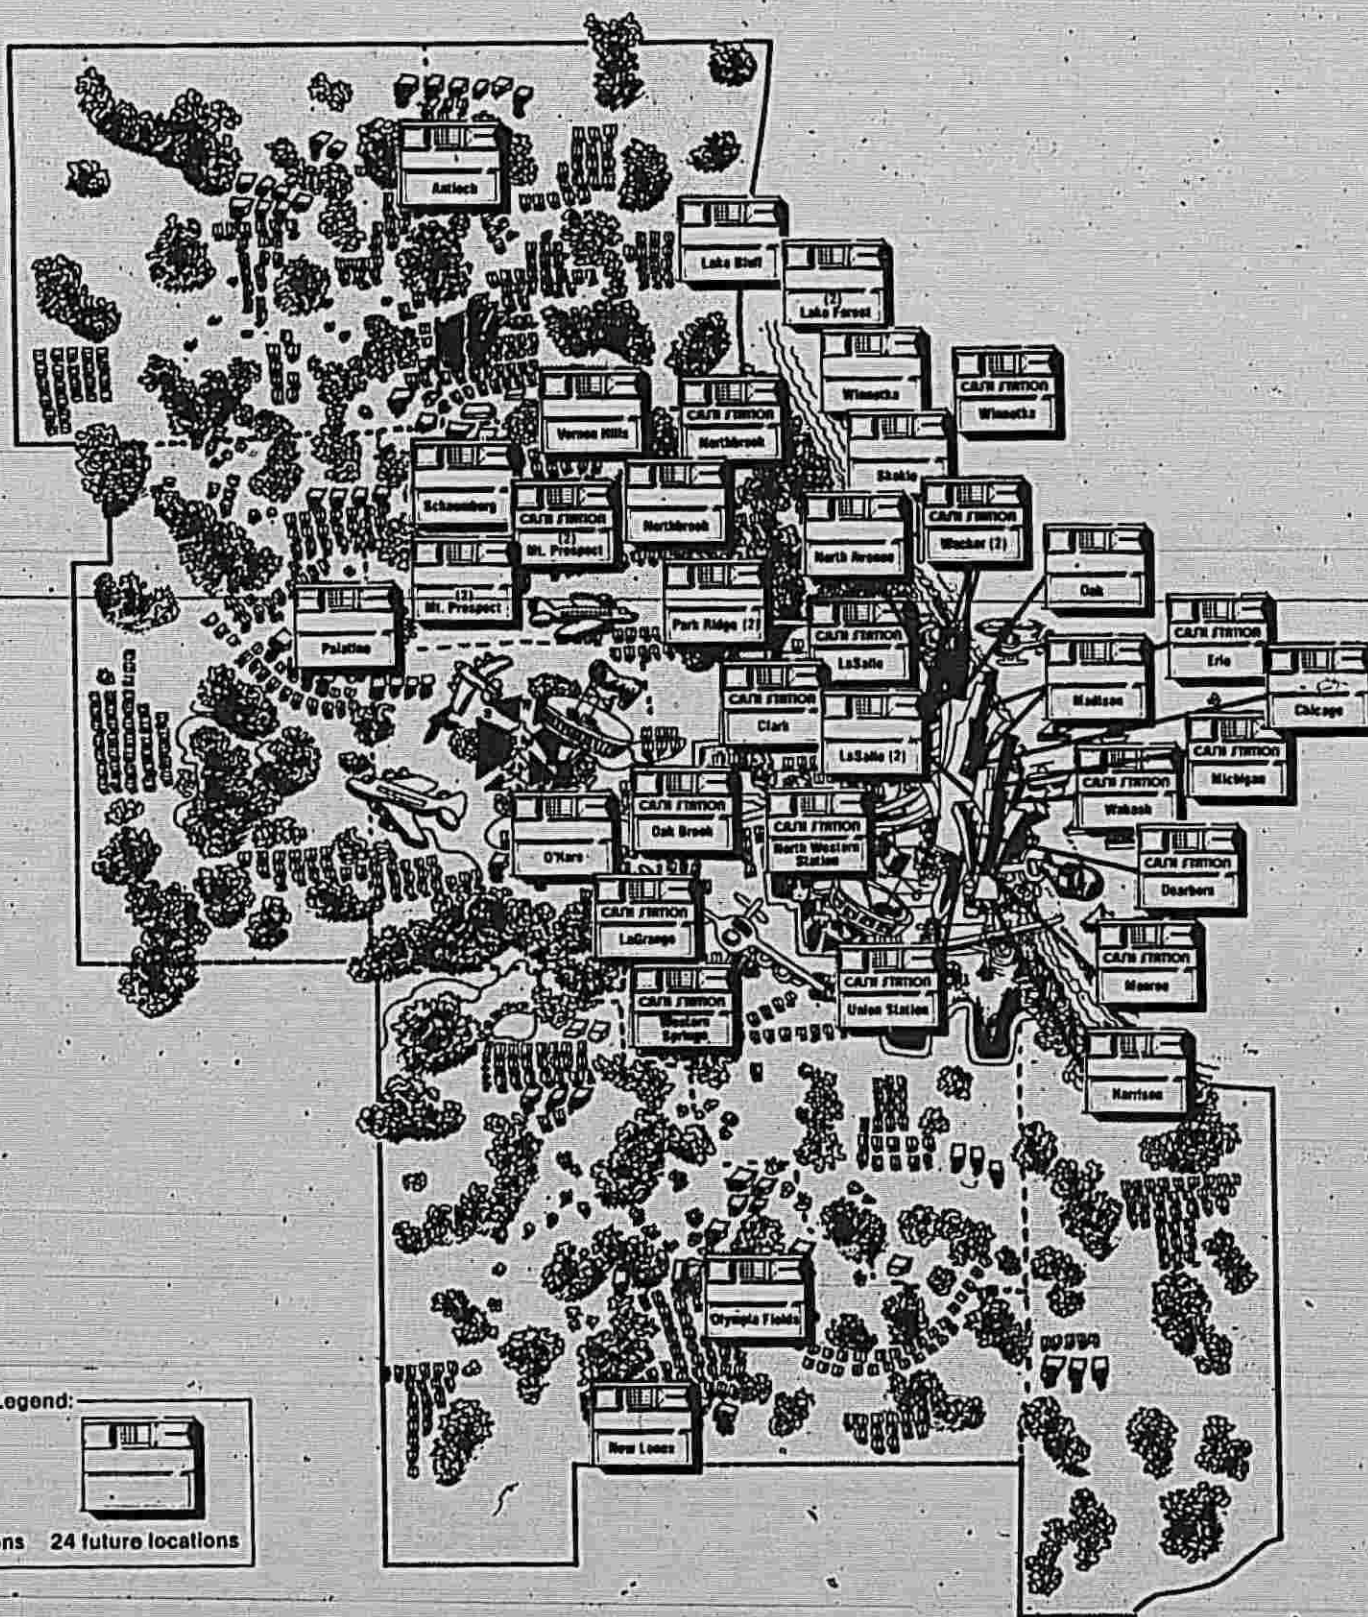

All entries must have name, address, town, category entered and phone number on them. Themes and pictures will not be returned and all entries become the property of Lakeland Newspapers which may reproduce entries in the paper.

Decision of the judges is final and entries will be judged on originality, creativity, and neatness of presentation.

Entries to the contest must also be appropriate to the theme. Winners will be notified by mail and winning entries will be published in Lakeland Newspapers. Entries can be sent to Lakeland Newspapers, Box 268, Grayslake, Ill. 60030.

Sequoits wait; ready for Warren

by GLORIA DAVIS

In what may be an Antioch High School high scoring record, the Sequoit varsity football team smashed the Grant Bulldogs, 62-25, on Antioch's home ground, Saturday, Oct. 31.

The Sequoits were full of tricks to give their fans quite a Halloween treat on their way to the big one against Warren next week.

Antioch made two touchdowns in the first quarter, the first was on a one yd. run by George Bessette, with Pete Kessler's kick going through the posts and the second was made when a five yd. run by Mike Kotlinski and Derek Olsen's two point run put Antioch at 15 on the scoreboard.

The first touchdown by Bessette was the result of a 70 yd. drive that included 15 plays and the second came after an 84 yd. drive that was capped by quarterback Scott Poulter's 28 yd. pass to Bob Thain.

Matt Stevens and Kotlinski took the ball over two more times in the second quarter and Grant scored with 51 seconds left in the first half to make the score 28-7 at half-time.

Antioch came back with two more touchdowns in the third period and the Bulldogs scored once.

Dean Berkiel scored on a 61 yd. run after a return was intercepted and Kessler's kick was good.

Kotlinski scored on a one

yd. run after an interception by John Halings on the Grant 34 yd. line and Kessler's kick was good again.

Grant scored on a two yd. run with 4:19 left in the third quarter.

In the fourth quarter it was Kessler after a drive starting on Antioch's 36 yd. line. Steve Crutchfield ran for 26, four, four and five yards and Kessler took it for 13 and five yds. to score.

Dave Walsh scored on a 36 yd. run with Olsen's kick making it 56 points for Antioch.

The Bulldogs made another touchdown in the fourth that did them no good at all, especially when Antioch capped their high scoring rout when Bob Van

Gamert made a 40 yd. run for the Sequoits final score.

Antioch had 18 first downs, Grant 12; Antioch scored 273 yds. and Grant marked down 35 yds. rushing; Antioch had 61 yds. passing and Grant passed for 199 yds.; game total yardage was Antioch 344 and Grant 234.

Offensive standouts were Bessette who carried 18 times for 93 yds. and one touchdown; Kotlinski carried nine times for 39 yds. and three touchdowns; Stevens carried five times for 39 yds. and one touchdown; Crutchfield ran eight times for 37 yds.; Kessler ran five for 17 yds. and one touchdown; Bill Carney carried once for two yds.; Andy Lehn carried two for 25; Silanoff, two for seven and Van Gamert three for 39 yds.

Poulter was three for seven in the first half and did not throw during the second half.

Defensively Antioch had six interceptions making there total so far this season 25.

Steve Sheedlo caught two, Berkiel, Halings, Walsh and Tom Haviland each had one.

Coach Steve Wapon said that Antioch's entire second defense, was in the game when they gave up two touchdowns to Grant in the fourth quarter.

"The team spirit is sky high because of the number in Sequoits that played," said Wapon.

Antioch will face Warren at Antioch, Nov. 7, for the Northwestern Suburban Conference Championship and a birth in the state playoffs which begin Nov. 11.

Wapon said, "Both Antioch and Warren are two of the better teams in the state and both deserve to play in the state tournament. The pressure will be on Antioch next week because Warren has a good chance for the

large birth even if they lose.

If Antioch loses next week they will have no consideration for conference play.

Wapon says that the Sequoits will have to contend with Warren's tremendous running game, a big offensive line and good blockers in their try for the conference crown.

Girl runners take first in NWSC meet

The Antioch girls cross-country team ran to take first place in the Northwestern Suburban Conference meet. Their win, plus their 6-1 dual meet record, put the girls in first place in the final standings.

Going into the meet, Antioch trailed Stevenson, but Stevenson finished in third place at the conference meet to enable Antioch to win its second championship in three years.

Antioch finished the race with 60 points, followed by Warren and Stevenson with 61 points.

To break the tie the two teams went to their sixth runner and Warren's sixth runner beat Stevenson's sixth runner, to give Warren second.

As the score indicated, the

race was very close, and the Antioch girls passed numerous runners down the finishing stretch to gain their victory.

Leading the girls was junior Donna Ruggles with a second place finish with a time of 12:10 for the two mile race.

Senior Gail Plechaty, hampered by a slight muscle pull, ran to a ninth place finish.

Sophomore Renee Starcevic ran a good race to finish in 13th place.

Freshman Michelle Mitchell ran well to gain a 16th place finish.

Junior Patti Friedman ran one of the best races of the year to finish in 21st place.

Julie Ott ran well to finish in 25th and freshman Rhon-

da Powlkes ran well to finish in 30th place.

The girls next race will be next Saturday, Nov. 7, at the state district meet at McHenry High School.

BOE MEETING

A special meeting of the Board of Education of Antioch Community High School, District 117, Lake County, Antioch, Illinois 60002, will be held on Thursday, Nov. 5, at 7 p.m. in the boardroom.

The purpose of the meeting is to canvass the election results from the school board election of Tuesday, Nov. 3, 1981, and reorganize the board.

Cops arrest youths for battery

The Antioch Police had their hands full with youthful culprits last week. At 11 p.m., on Friday, Oct. 30, Michael Chinn, 17, Antioch, was attacked by three youths carrying baseball bats.

According to Lt. Tom Fisher, Antioch Police Dept., Chinn was allegedly beaten badly by Tim Palm, 18, Antioch.

Involved in the incident were William Rentner, 19, Antioch and Joseph Owens, 18, Trevor.

Chinn reported that profanities had been shouted at him in the vicinity of McDonald's Restaurant and he was followed by the three when he left in his truck. He tried to hide in the rear of Behings Auto Parts, but was followed into the rear parking lot where the beating occurred.

Fisher said that there were no apparent personal reasons for the beating. Sgt. William Kukla spotted the vehicle driven by the three accused a short time later and arrested Palm for battery and criminal damage to property and Rentner and Owens for disorderly conduct.

All three will appear in Lake County Court on Monday, Nov. 9, for arraignment.

Two 10 and 11 year old

boys were caught trying to steal money at the Antioch Public Works Dept., at noon, on Sunday, Nov. 11.

According to Fisher, about

\$80 had been stolen from that department a week previously so the police set up the trap that help catch the perpetrators.

The manner in which the case will be disposed is still under investigation by the police department said Fisher.

Former Newport supervisor, fire chief dies

Long-time Newport Township, cornerstone LeRoy Fritz, died Thursday, Oct. 29 at Libertyville Manor. Services were held Saturday, Nov. 7.

Mr. Fritz was owner and operator of the LeRoy B. Fritz Grocery and Meat Market in Wadsworth and was a charter member of the Newport Fire Dept. where he served as fire chief. He was also long-time township supervisor and member of the Lake County Board.

Mr. Fritz retired as Newport Township supervisor May 15, 1970, saying he wanted to step down "while I still have time to enjoy life."

Fritz was appointed supervisor in August, 1961 to succeed David Van Patten and later won election to two terms. He also served as justice of the peace from 1947 to 1961.

In 1963 he defeated Les Shields by nine votes for the post of supervisor. Then in 1967 he defeated H. Lee Austin by an almost 2 to 1 margin.

While on the county board, Fritz served as secretary of the finance committee and served on the liquor, judiciary, taxation and election committees as well as on the county hospital committee.

Mr. Fritz was a native of Chicago and graduate of John Marshall High School. He moved to Wadsworth in 1941.

An active campaigner, Fritz once said "There is no better campaign method than the personal touch."

Mr. Fritz was also a strong advocate of township government. "Residents are in close touch with supervisors. No type of government is closer to the people," he said.

Mr. Fritz was perhaps even better known for his contributions to the Newport Fire Dept. He resigned from the department Jan. 11, 1966 after 21 years of service and was chief at the time of his resignation.

"Though I hate to admit it, I feel I'm getting too old to be climbing ladders and running around on rooftops," he said at the time.

Upon his retirement, Fritz related the following history of the Newport Fire Dept.

A meeting was held at the Browe School on March 3, 1945 for the purpose of discussing the establishment of a fire protection district for the town of Newport.

The meeting was attended by a committee of citizens,

including Leo Schlosser, Robert Lux, Leslie Shields, Donald Adams, Vincent Kazmer and John Irving.

As a result of the meeting a petition was filed with the county court for the organization of a fire protection district for Newport Township.

On June 26, 1945 an election was held in the Rosecrans Church basement proposing the establishment of the fire district. The vote was 96-0 in favor.

Judge Perry Persons then appointed Frank Faulkner, Leslie Shields, and George Vose as trustees of the district.

The first meeting of the department was held Sept. 7, 1945 in the Rosecrans Church basement to elect officers of

the fire department. Many names were placed in nomination and LeRoy Fritz was elected president, Henry Becker secretary and Donald Adams, treasurer.

The department decided it would hold its meetings in the various schools: Browe, Lone Oak, Millburn, Rosecrans, Townline, Wadsworth, West Newport and Russell.

Money to operate the department was raised through dances, card parties and socials. Robert Gillings, Frank Edwards, Walter Smoger, Fred Strahan and Emmet Kingas were appointed by Fritz as directors on Nov. 13, 1945.

On March 26, 1947 a meeting was held at West Newport School and after

many discussions, meetings, flaring tempers and near-first fights, a vote was taken for the construction of a permanent fire station. Three sites were picked. The results were Russell, no 55, yes 25; Rosecrans, no 52, yes 29; Wadsworth, no 22, yes 59.

The foundation for the station was dug by hand and the cement mixed by hand. Cement blocks were made

by the firemen. The first truck was purchased in August 1947 when William Doyle loaned the department \$3,000 to pay the balance on the new truck.

On August 12, 1947, Fritz was elected fire chief and Leslie Shields was appointed assistant chief, serving in that capacity until his death in 1965.

On Nov. 11, 1947, the Gur-

nee Fire Dept. donated its old Chevrolet Fire truck and tank truck to the department. The equipment was overhauled and Dec. 1, 1947 the department took over the protection of homes in the fire district officially.

Fritz was the last remaining charter member of the fire department. Originally there were 26.

LEGAL NOTICE

Under powers granted to Boards of Review under Section 108a of the Revenue Act of 1939, as Amended (Ch. 120 Par. 589.1, Illinois Rev. Stats., 1977), the 1981 Lake County Board of Review contemplates the following action:

ANTIOCH TOWNSHIP

Equalize the value of all Real Estate subject to taxation, except property assessed under Sec. 44.1 of the Revenue Act of 1939, as amended (Ch. 120 Par. 525.1) and land assessed under Sec. 20e and 20g.1 of the Revenue Act of 1939, as amended (Ch. 120 PP. 501e and 501g.1) in ANTIOCH Township by application of a factor of 1.0743 to all property.

A hearing has been scheduled for 11:30 A.M. on Wednesday, November 25, 1981, in the County of Lake Board Room on the Tenth Floor of the County Building, Waukegan, IL.

All persons desiring to be heard and or present evidence must confine their comments or facts to the question of assessment levels in their Township, avoiding reference to individual problems.
